#ONTHERECORDFORNOLAN · ORGANIZER SHEET

ON THE RECORD FOR NOLAN

THE MISSION

Get every congressman and senator in America to answer in writing: Do you support a full, open and transparent federal investigation into the death of Nolan Wells?

YES NO SILENT

Why now: On October 20, 2026, the U.S. Coast Guard said in writing that its investigation, MISLE Case 1517237, "is still open and ongoing." The state of Mississippi says it's done. A federal agency says it's open. Your letter asks your officials to find out what's open.

KNOW WHAT WE'RE MARCHING FOR, AND WHAT WE WANT OUT OF IT.

1 WRITE THE LETTERS → 2 KNOW THEIR STANCE → 3 RECALIBRATE IF NEEDED → 4 TAKE IT TO THE STREETS

1 Find your 3 officials 30 SECONDS

If you live in one of the 50 states, three people in Congress work for you: one House representative and two senators.

- House: `house.gov/representatives/find-your-representative`
- Senate: `senate.gov/senators/senators-contact.htm`
- Open each one's website and click **Contact**.

2 Copy your letter 30 SECONDS

It's on page 2. On your phone, it's easier to copy from the **copy-and-paste version** (QR code on page 3).

3 Send it 1 MINUTE

- Paste it into all 3 contact forms.
- Use your real home address. Offices only answer people they represent.
- Screenshot the confirmation screen. That's your receipt.
- Send this sheet to 5 people. Group chat. Family. Team. Five.

4 Post the answer WHEN THEY REPLY

- Only official replies count: an email from .house.gov or .senate.gov, or a letter on their letterhead.
- **Cover your home address, phone and email** before you post.
- Post it with **#OnTheRecordForNolan** and tag any creator covering the case. We keep the board updated together.

STEP 2 · YOUR LETTER

COPY EVERYTHING INSIDE THE BOX

Dear **Representative or Senator** **Last name**,

My name is **Your full name**. I live in **City, State, ZIP**. I am writing as your constituent about Nolan Xavier Wells.

Nolan went missing on Horn Island, Mississippi, on July 4, 2026. A park ranger found his body on July 6. Most of Horn Island is federal land inside Gulf Islands National Seashore. Both autopsies listed his cause of death as undetermined, and a grand jury did not return charges. His family still has questions, and so do I.

Members of Congress have already asked the National Park Service to have its Investigative Services Branch investigate. I am asking you to:

1. Write to the Department of Justice and the National Park Service and ask for a full, open and transparent federal investigation into Nolan's death, independent of the Mississippi agencies that handled the first one.
2. Ask them to tell the public what federal steps have already been taken, and to keep every public record in this case public, unless his family asks otherwise.
3. Contact the U.S. Coast Guard through your congressional liaison and ask what kind of investigation is still open under MISLE Case 1517237, which unit is running it, and when it is expected to close. On October 20, 2026, the Coast Guard said in writing that this investigation "is still open and ongoing."
4. Respond to me in writing with your official position on a federal investigation.

A mother should not have to fight a whole state alone for answers about her son.

Sincerely,
Your full name

WHAT'S NEXT: ACT ON THE ANSWER

YES

Hold them to it. Ask them to write the Justice Department and the Park Service and send you a copy.

FORM LETTER

Write back: "That's not an answer. Yes or no?" Then call the office.

NO

Post it. Then ask them in person at their next town hall, on camera.

SILENT 21 DAYS

Now you march, with a destination: their district office. Bring printed letters. One demand: "Where do you stand? Put it in writing." Film it. Stay peaceful.
